

CONTRIBUTION FORM

Your financial contribution will enable more students to attend HERBalachia.

HERBalachia offers students a unique education that fosters Appalachian herbal Traditions, embracing local plant identity, holistic health, sustainable harvesting practices, medicine making, and an overall inward journey of the self. Participants learn through herb walks, communion with Nature, lecture, discussion, hands-on harvesting, preparation, and home remedies.

We ask for the support of our past and future students and friends to empower more students by making a contribution so all students may benefit from the teachings.

100% of financial donations go to our Student Scholarship Fund.
